NEW WINE RELEASE

MARIA BONITA NOSTALGIA ALVARINHO

Producer Lua Cheia-Saven always seeks to provide high quality wines reflecting the very best of Portugal and has introduced a new wine to its range Maria Bonita.

Produced from an oldest vineyard, this single-variety was produced using traditional vinification techniques. The result is a yellow citrus-coloured wine, with great aromatic intensity. Elegant and distinct, on the palate it is well structured but surprisingly fresh white wine due to high quality acidity.

Maria Bonita Nostalgia is the perfect match for Mediterranean cuisine, based on fish and seafood.
