WINE EVENTS PARTICIPATION

In October, **Lua Cheia-Saven** has participated in “Grandes Escolhas | Vinhos e Sabores”, the biggest wine fair in Portugal, organized by Grandes Escolhas magazine, that took place at Pav.2 of FIL- Feira Internacional de Lisboa, in Parque das Nações, Lisbon. It has also attended the tasting events, held by ViniPortugal, that took place in Amsterdam and Brussels last month.

Lua Cheia-Saven’ wines were also showcased at ProWine Shanghai, which took place this month (November 12-14, 2025), at the Shanghai New International Expo Center. These events provided an excellent opportunity to connect with our partners, industry professionals, decision makers and wine enthusiasts.
