

October 2025

NEW WINE RELEASE

Lua Cheia-Saven has been in production for 15 years and during this time has been working to grow its reputation as a producer of high quality wines.

We are extremely proud to present a new red wine produced from Quinta do Bronze in Vale Mendiz, located in the Pinhão River valley and dating back to 1823 -

Andreza Vinha Vale de Mendiz 2019.

A blend of Touriga Nacional, Touriga Franca and Tinto Cão grapes varieties, that come from plots at an altitude of 300 meters.

Andreza Vinha Vale de Mendiz 2019 aged for 18 months in new French barrels, following 12 months in bottle.

It shows a ruby color and very intense and elegant aroma. On the palate, it is structured and balanced, fresh and vibrant, with excellent acidity. Beautiful fruity notes combined with the excellence of the barrel. The finish is very engaging and fresh with considerable complexity.

Andreza Vinha Vale de Mendiz 2019 is a perfect pairing with Mediterranean cuisine. The wine is the new member of the Andreza range, that pays tribute to the Douro region. Since time immemorial, the Douro river morphology is marked by "voltas" (river bends), being the Andreza one of the most beautiful.
