

SAVEN

DESVIOS

SPOTLIGHT

"Desvios" — The newest white wine from Lua Cheia - Saven is now on the market!

True to its name, it has a fresh, yet very intense and powerful aroma, dominated by the minerality so characteristic of Viosinho. Notes of white pulp fruits give the wine Desvios an extraordinarily elegant taste.

From Douro, this white wine is made from 100% Viosinho grapes.

Try it with a strong cheese and you won't have any regrets!

THE BENEFITS OF WINE TO HUMAN HEALTH

According to the article "Wine and health: A review of its benefits to human health," written by Douglas Wurz for the 41st World Congress of Vine and Wine, drinking wine in a moderate amount contributes to the health of the human body. In general, the benefits are:

- Protects against heart and circulatory diseases
- Aids in the fight against obesity
- Provides greater longevity and quality of life
- Creates barriers to the development of dementia
- Improves digestion when paired with a meal
- Increases an anti-infective effect
- Beautifies the skin
- Reduces inflammation
- Alleviates lung diseases in some cases

Red wine components are well-known to be potent antioxidants and have been identified as having anti-carcinogenic, anti-inflammatory and antimicrobial properties.

But remember: Moderation is the key to such benefits!

NEW WINE RELEASES

PEGOS CLAROS GRANDE ESCOLHA 2016

Sourced from the most exclusive sector of a vineyard of ancient, century-old grapevines, this red wine has a very complex aroma with hints of red fruits and black plums.

From Palmela, this wine is produced for Herdade Pegos Claros by renowned winemaker Bernardo Cabral.

The wine has been aged in French oak barrels for 12 months, giving the wine a very elegant and intense flavor with soft tannins and balanced acidity. Pairs well with grilled meat, stews and hard cheeses.

TYTO ALBA BRANCO 2019

With its translucent green colour and characteristic citrusy aroma, this white wine has been fermented and aged with battonage for three months in French oak barrels.

From the Tejo region, this wine is produced by Companhia das Lezírias and the talented winemaker David Ferreira from two distinct grape varieties: Fernão Pires (M^o Gomes) and Arinto (Pedernã).

This white wine has a refreshing taste with well-integrated flavours and a persistent finish. It's ideal with grilled or baked fish.

TYTO ALBA TINTO 2016

Produced by Companhia das Lezírias and the winemaker Bernardo Cabral, this red wine has been aged in French and American oak barrels for 12 months, followed by one year in the bottle prior to market release.

From Tejo, this wine is made from three distinct grape varieties: Touriga Nacional, Touriga Franca, Alicante Bouschet.

With a clear, deep garnet colour, and an harmonious aroma of violet and black fruits, the wine is an ideal accompaniment for pork, poultry or red meat.
